CITY MUNICIPAL OFFICES
BANGALORE.
Dated 11th August 1942

Dear Mr. Narayanaswamy Naidu,

In connection with the Grain Depot opened by the Municipal Council in the City New Market, the Council have resolved at their Meeting held on 25-7-1942 that the depot be continued

While passing this resolution, they have stated that the Vice President of the Council with the help of the Revenue Officer and Mr G. Nanjappa, a Municipal Councillor should manage the Depot. This is against the provisions of the Municipal Act, since it is the Municipal Commissioner who is the executive authority, and as such, management of any institution financed by the Municipality cannot be vested with any person other than the Municipal Commissioner. I have no objection ~~that~~ to the Municipal Councillors referred to above being made as advisers in the management of the Grain Depot.

Moreover, they have resolved that a sum of Rs 20,000/- which has been allotted for the purchase of grains be kept in a separate account in the Bank of Mysore. At present all Municipal monies are operated upon by me or by my Personal Assistant who is the Treasury Officer. It is highly undesirable to place another Official of the Municipality to operate on the account. There has been no delay in making

making payments towards purchase of grains lately.

I am not in favour of the resolution of the Council to vest the management of the Depot with the Vice President or to place the money alloted in the Bank of Mysore at his disposal or to be operated upon by the Revenue Officer.

Moreover, in regard to the continuation of the Depot itself, I had stated that as the sales were dwindling, it was unnecessary to continue the depot any longer.

I request that these facts may be brought to the notice of Government and orders passed on a separate reference - (C2 C.660/40) which I have addressed Government to-day while submitting the resolution of the Council.

Yours sincerely,

C. Narayanaswamy Naidu, Esq , B.A., B.L.,
